“Saturday

6:00 pm - 8:00 pm

Tune in for the hottest, newest releases in Blues, Soul, Funky R & B, and a plethora of NOLA vibes. We’ve got the classics too! Host, Cheryl Mogul features many great obscure tracks from all eras and music from around the globe that will get your attitude just right for a Saturday night!”

Cheryl used to host WMNF's Reggae show back in the old days. She still sounds the same, nice blast from the past. This page archives past episodes of Saturday Soulful Soiree.

MISCELLANY

<https://archive.org/details/HenryCowell>

Henry Cowell talks about his life and plays examples of his music from his entire career as a composer—a fascinating document. He mentions the diversity interests from his childhood, giving up violin at age 8, hearing Irish tunes hummed by his father, early American Ozark mountain tunes sung by his mother. Living in San Francisco, he was exposed to international influences, playing and humming along with his Japanese, Chinese & Tahitian playmates.
